Congratulations! The servicing of your home loan has been transferred to Land Home Financial Services. This letter serves as your official notification of the transfer which is effective 9/18/2018.

Not to worry – the transfer of loans is common in the mortgage industry and does not affect any term or condition of your loan documents or mortgage instruments, other than the terms directly related to the servicing of your loan.

Except in limited circumstances, the law requires that your previous servicer send you this notice at least 15 days before the effective date of transfer or at closing. Your new servicer must also send you a notice not later than 15 days after the effective date of the transfer or at closing.

You should also be aware of the following information, which is set forth in more detail in Section 6 of the Real Estate Settlement Procedures Act (RESPA) (12 U.S.C. 2605)

During the 60-day period following the effective date of the transfer of the loan servicing, a loan payment received by your old servicer before its due date may not be treated by the new servicer as late, and a late fee may not be imposed on you.

Section 6 of RESPA (12 U.S.C. 2605) gives you certain consumer rights. If you send a "qualified written request" to your loan servicer concerning servicing of your loan, your servicer must provide you with a written acknowledgement within 20 business days of receipt of your request. A "qualified written request" is a written correspondence, other than notice on a payment coupon or other payment medium supplied by the servicer, which includes your name and account number, and your reason for the request. If you want to send a "qualified written request" regarding the servicing of your loan, it must be sent to the above address for Land Home Financial Services, Inc.

Not later than 60 business days after receiving your request, your servicer must make any appropriate corrections to your account and must provide you with a written clarification regarding any dispute. During this 60-business day period, your servicer may not provide information to a consumer reporting agency concerning any overdue payment related to such period or qualified written request. However, this does not prevent the servicer from initiating foreclosure if proper grounds exist under the mortgage documents.

A business day is a day on which the offices of the servicer are open to the public for carrying on substantially all of its business functions.

Section 6 of RESPA also provides for damages and costs for individuals or classes of individuals in circumstances where servicers are shown to have violated the requirement of that section. You should seek legal advice if you believe your rights have been violated.
